SECOND STORY GARDENER

If you follow the white line to the home above this slip at Mattapoisett Wharf, you will notice the place where the purple flowers have brightened the skyline this summer. If you think gardening has no challenge, then take a look at Sharon Briggs as she tends her boxes from the rungs of an extension ladder as we found her on Saturday. Many people have seen and appreciated this daring attempt to get gardening off the ground to decorate a spot of high visibility.

Harbormaster's Boat Rebid

MATTAPOISETT SELECTMEN'S MEETING
SEPTEMBER 4, 1990-by VIRGINIA MORGAN

Selectmen last Tuesday agreed to rebid the Harbormaster's boat, at the recommendation of Harbor Committee Chairman Michael Dahill and Harbormaster Steven Mach. The bid specifications will be essentially the same and will seek the boat and motor either as a package or as individual pieces.

Mr. Dahill said the previous bids came in too high and for too big a boat, and generally were not suitable. "At this time of year, and if we bid quickly, we can take advantage of the end of the season sales rather than wait until next spring when prices will be up. We should be able to get what we need for the $20,000 voted at town meeting. It is highly unlikely we will get the boat ready until the middle of October, and it's possible the dealer will store the boat until it is needed, or perhaps it can be stored at the town barn."

Mr. Dahill noted the trailer will not be sought at this time. The motor should be 200 horsepower to do the job of moving a 3,500 pound boat. When Selectman Bernard F. Talty asked about the gasoline expense of operating such a large motor, Mr. Mach explained full power wouldn't be needed in the harbor but would be needed to respond to an emergency.

On another matter, Selectman Daniel O. Mahoney asked Mr. Dahill to comment on remarks made at a recent Harbor Committee

meeting by those attending on the harbormaster's boat versus wharf repairs.

Mr. Dahill explained the Harbor Committee agreed the harbormaster needs a boat. "Personally, I felt the package bid that came in was too big. Several people felt it should be a big boat." Part of the comments came from townspeople who felt that the funds should have been allocated to fix the wharves. Mr. Dahill noted the funds for the boat ($20,000) would not be sufficient to do a good job on wharf repairs. The boat

money will be well spent and has to be visible and in use. The fire department will be able to use the boat for training.

Mr. Dahill explained the harbor committee members feel that something should be done soon on wharf repairs. This is a good time now to negotiate work as it has to be done in the winter months before migratory fish come into the harbor. "We are going to recommend at a town meeting to approve a bond for wharf repair to be paid from Enterprise funds - not taxes." This money has to be approved by the voters, he added.

The wharf needing repair now is the one to the left of the launch area. Mr. Mach noted a trial test of the waters near the wharf showed five feet of mud, then a couple of feet of something hard they could not penetrate. It needs a higher compression driver for this work. "We have a volunteer who works at Coastline Engineering willing to offer his expertise in making plans for the wharf repairs."

In other business, Selectmen:

WERE INFORMED by the Board of Health it has voted to increase the landfill tipping fee for vehicles over 15,000 pounds to $400 per coupon, and $2,000 for a book of coupons The size vehicle is in the commercial hauling class.

On August 28th the health board agreed to have the increase take effect on September 1, 1990; however, because of complaint the effective date was changed to October 1, 1990.

One of the complainants, John Frades, owner of Frade's Disposal Inc. that has trash collectors situated over the area in various places, claimed he did not have time to notify his customers of the increase so he could adjust the cost to his customers according to his higher cost. Mr. Frade expressed his thanks for extending the effective date. Selectmen noted this change was made by the Board of Health that is an independent agency and makes its own decisions.

Health Agent Dale Barrows said the Board of Health is under no legal obligation to give a 30 days notice but agreed to the extension to accommodate customers.

Selectman Mahoney commented the fees are more in line with the market for tonnage rates without a scale. The previous estimated fees for the tonnage were too low.

DISCUSSED THE REQUEST of town mechanic John Bowman to provide the normal maintenance (oil changes, filters, etc.) on the police cruisers. At the present time Mr. Bowman is in charge of the major repair work on cruisers; however, he feels if he were in charge of maintenance he could be quick to spot potential problems rather than at present when he is aware of problems after they happen.

Mr. Bowman has spoken to Police Chief James F. Moran who responded saying he will think about it. Presently, the maintenance work is being done by a local service station.

Chairman DeCosta said he had no problem with Mr. Bowman doing this work; Selectman Mahoney said it has his O.K. The board did agree to check with the police chief first, as the chief has indicated he liked to have a record of maintenance that the station gives him.

When contacted after the meeting, Mr. Bowman said he always kept maintenance records when he previously worked on the cruisers and other town vehicles. These records were always available to all officials, he said.

VOTED TO APPOINT Melody Mills as the selectmen's secretary at $7.12 per hour for a 35-hour week, retroactive to August 31, 1990, pending approval of the salary rate by the Personnel Board.

Executive Secretary Carol Adams reported that seven applications had been received, and all were qualified. Melody, a former secretary to the Board of Appeals and the Building Inspector, has been working one month as a temporary selectmen's secretary until the position is filled permanently.

Carol recommended Melody as she is familiar with the town hall operations and its services and town by-laws. She is also a very personable person, especially in her contact with the public, said Carol.

WILL CONSIDER all wharf signs and parking spaces and any changes to be made during the winter months for next summer season. Selectmen agreed these need an overhaul after receiving many complaints this past summer on ill-placed signs.

The most recent complaint brought to the board's attention by Carol was from a handicapped person who felt the present three handicapped spaces were not suitably placed for observance of activities on the wharf.

It was noted the two handicapped spaces near the Ice Cream Slip are inaccessible on Thursday nights during the teen dances. The third space in front of the Harbormaster's office has no visibility to the square dances or band concerts.

The letter from Ruth Heuberger, secretary of the association, said, "On Sunday, August 18, 1990 at around 4 a.m. a cottage was destroyed by fire, and it was fortunate that no one was injured. We feel under the circumstances that there is a need for a fire alarm box to be installed. Also, most of the 28 cottages are unoccupied in winter and therefore, telephones are not available to be used in case of a fire. The membership dues that are collected are used to keep the road in usable condition."

Fire Alarm Superintendent Paul Kelley informed selectmen he received a $300. do-

SOLARSHIELDS

SOLARSHIELDS give far more comfort as a sun-lens than normal sunglasses. Whether hiking, fishing, sailing or relaxing at the beach, the non-prescription goggle fits easily over glasses or can be worn alone. Skiers, golfers, pilots or anyone concerned with top performance can benefit from a total UV sunscreen - and enjoy the comfort.

Photophobia:
Some people are more sensitive to light than others. For those in need of a "serious sunlens," the SOLARSHIELDS offer complete UV absorption to 400 nm and a choice of tints for comfort in the visible spectrum. Even with a dilated pupil behind the dark tint, the eye is fully protected due to special UV filters in the polycarbonate material. Top and side shields screen out all incident light.

For Cataract Patients
The aphakic eye is extremely vulnerable to postoperative retinal problems if not protected against hazardous ultraviolet radration.

SOLARSHIELDS replace the same UV filter lost with the removal of the crystalline lens. Immediate comfort and complete retinal protection from UV make SOLARSHIELDS an excellent addition to standard post-operative procedures.

Constitution Week

SEPTEMBER 17-23

The Constitution of the United States, the guardian of our liberties, is a product of reflection and choice, embodying the principles of limited government in a Republic dedicated to rule by law, not by men, and September 17, 1990 marks the two hundred third anniversary of the drafting of the Constitution of the United States of America by the Constitutional Convention; and it is fitting and proper to accord official recognition to this memorable anniversary, and to the patriotic exercises that will commemorate the occasion, and Public Law No. 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 through September 23 as Constitution Week. "Therefore, I, Chairman of the Board of Selectmen, John N. DeCosta, do hereby proclaim the week of September 17 through 23 as Constitution week, in the Town of Mattapoisett, and urge al our citizens to pay special attention during that week to our Federal Constitution and the advantage of American citizenship."

Mattapoisett Seniors' Club

MEETING ON THURSDAY

Members may bring guests on Thursday afternoon of this week as the Mattapoisett Seniors' Club begins a new season, at 1:30 in St. Anthony's Church Hall.

The program, following the business meeting, will be "Music for Enjoyment", with Bette Roberts, choir director of the Mattapoisett Congregational Church, performing and leading the assembly in songs.

Joseph C. Perry, president, will preside as plans for the coming months are discussed. A slate of officers for the 1990-91 year will be announced in preparation for elections in October and installation in November.

The serving of refreshments will conclude the session.

Rochester Arts Lottery Council

The Rochester Arts Lottery Council announces that applications are now being accepted for PASS (Performing Arts Student Series) funds; however, the Council has voted to hold its regular funds over until next spring to allow complete funding of more proposals.

Applications and guideline information are available at either the Rochester Town Hall or the Joseph Plumb Library. Completed forms should be returned to either location by September 28th. If there are any questions please call Mrs. Virginia Cutler at 763-2735 or Cathy St. John at 763-2807.

INTO FAMILY EYE CARE

When shopping for glasses what should I be aware of?

It is most important that you know that the individual or business you will be dealing with is qualified. When you go to a doctor's office you will see displayed on the walls licenses and certificates indicating the doctor's training and schooling. These show a doctor's patients his/her qualifications and also serve to build faith and confidence in his/her abilities to provide proper care. The same holds true for opticians. Find out what that person's qualifications are before doing business.

Letter to Residents

RECYCLING NOW IS A MUST!

It's far beyond the time for us lucky enough to live in Mattapoisett to start to RECYCLE, but we can make a BIG difference if we start NOW.

For quite some time I have taken recyclables to other towns' dumps (where they are then sent to recycling centers) and more recently to S.N. Crocker's on the right on Route 6 in Wareham, just beyond the Weweantic River. Bags of glass (metal rings removed), plastics, aluminum and metal cans are then taken to recycling centers from there. Papers, in paper bags, are delivered to Rochester (near Town Hall) or to Marion every 6-8 weeks. (This is announced in Presto.) Last week the paper van was waiting and very few people took this chance to recycle and help our earth.

Sure, it makes for more work - it's far easier to "toss it into the trash", fill our

trash barrels, fill up our next landfill, or whatever the alternative to that might be. But, how long can this practice go on? We have one earth - just so many square miles - no more than that! With the state mandating capping of landfills, what next? Where will our children's children find space to settle, if capped landfills dot our land?

A massive recycling effort is the answer. But we must begin NOW.

From O.R.R.H.S.

The first day of school for the freshmen at Old Rochester Regional High School is very special. Over 40 members of the sophomore, junior and senior classes report to school one day early to make sure that the freshmen start the school year on a high note. The upperclass students are responsible for taking the freshmen on a tour of the building, introducing the freshmen to their new teachers, and holding small group discussions about school activities and school rules and regulations. The program is organized by the ORR Guidance Department. Counselors Susan Zartman, Barbara Meehan, and John Spinale meet with students during the summer planning this very important first day of school.

Iraq dominates the news media each day. We read and hear most about the military buildup, the economic implications of sanctions, the military and economic cooperation among nations and the inflammatory cross-continental rhetoric.

What we are not doing is digging deeply enough to examine the origins of this conflict as well as other potential upheavals in the Middle East. Beneath everything is a centuries-old cultural and religious struggle. The title of the sermon at the Mattapoisett Congregational Church this Sunday will be

Family Reunion in Georgia

Royston, Georgia was the location and July 1990 the time for the reunion of three generations of descendants of the late Theodore and Etta (Sherman) Spagnoli. Meeting at the stately family home were Mr. and Mrs. Calvin C.Lake from Hollywood, Florida, Mrs. Ralph V. Moore from Mattapoisett, and Mr. and Mrs. Nelson Dexter and Mr. and Mrs. Carl Spagnoli of Royston. Members of their extended families also arrived from Florida, Massachusetts, and Georgia, making a total of nearly fifty people. The youngest was two months old and the oldest was seventy.

Southern friendliness and hospitality were displayed by neighbors and friends, who dropped in with greetings and special foods. Ideal weather allowed for browsing through the flower-ladened premises, as well as Royston's small business center. Some family members also enjoyed boating at Lake Hartwell, a trip to the mountains, or a Braves baseball game, while others remained home to chat and reminisce.

A highlight of the visit was touring the family cabinet shop, where custom kitchens are designed, built, and scheduled for installation. The lock shop, owned and operated by Mr. Dexter, was also interesting.

After four pleasure-filled days, everyone parted with happy memories of a first reunion and hopes for a family cruise within a few years.

Whale. Each section is geared to different grade levels and introduces students to coastal systems while they are in the classroom.

Estuary on Wheels is for students in kindergarten through second grade. Lloyd Center instructors bring marine animals into the classroom and teach students about adaptation, habitat and food chains. Students are given an opportunity to handle the critters, letting them experience the coast firsthand.

Flexi the Flounder is for students in kindergarten through sixth grade. Flexi is a six-foot fabric flounder that can be dissected by unzipping and detaching velcro pieces. It allows students to learn about anatomy, the function of internal organs, and the similarities and differences between fish and humans. Students assist in the dissection and rearticulation of Flexi.

Delphi the Whale is for students in first through eighth grades. Delphi is a life-sized wooden pilot whale skeleton. It is used as a basis for a discussion on marine mammals. Topics include: migration routes, food webs, taxonomy and physiology.

Additionally, Delphi is a puzzle for students to solve. The skeleton separates into 93 pieces, and the students must figure out how to put Delphi back together.

"Traveling Laboratory is a unique learning experience for most students", noted Martha Peterson, Education Coordinator for the Lloyd Center. "This program allows students who may have never been to a beach to experience what that environment is like. It also lets the students develop additional scientific skills and concepts while they learn to work together as a group."

Traveling Laboratory is offered year-round.

A graduate of Dartmouth College and Dartmouth Medical School, Dr. Kruger recently completed a five-year residency in surgery at Hitchcock Medical Center in Hanover, NH. Prior to that he did an internship in surgery at the National Naval Medical Center in Bethesda, MD, and served for two years as a naval medical officer aboard the aircraft carrier, USS America.

As part of his residency, Dr. Kruger trained extensively in vascular surgery and brings this expertise to Tobey. He will begin performing peripheral vascular procedures, including repair of aneurysms and bypass of narrowed arteries in the leg. Dr. Kruger will not do any cardiac surgery.

"There is a great deal of vascular disease and there is a need to be able to recognize it and respond appropriately", said Dr. Kruger. "Having diagnostic and therapeutic services available at Tobey will prevent people from having to travel long distances for vascular care."

Dr. Kruger also has training in endoscopy, the use of a flexible, fiber-optic scope for examining the colon and stomach. This equipment is used for colon cancer screen-

This year one out of eleven men in the U.S. will be diagnosed with prostate cancer and approximately 30,000 will die of the disease. Because the symptoms do not usually appear until the late stages, early detection through an annual medical examination is recommended for men over 40 years of age. Symptoms usually involve problems with urination, such as pain, frequency or difficulty.

"The Auxiliary today continues its threefold purpose which began in March 1950. The Auxiliary is committed to serve in various capacities within the hospital, to raise funds to benefit the hospital, and to inform the community about St. Luke's and its services", notes Mrs. Ellen Sylvia, Auxiliary President. Mrs. Sylvia will be joined by several of the Auxiliary's past presidents in celebrating the occasion. Past presidents of the organization include Mrs. Nancy Doyle, Mrs. Muriel Morse, Mrs. Marie Oliver, Mrs. Theresa Axtell, and Mrs. Betty MacDonald of New Bedford; Mrs. Frances Watkins of North Dartmouth, Mrs. Christina Styan, Mrs. Zelda Howard, Mrs. Janet Negus, Mrs. Margaret Dias of South Dartmouth; Mrs. Emma Jaslow and Mrs. Marjorie Carruth of Florida.

During the past forty years the Auxiliary has grown from a small nucleus of members to almost 450 today. Among the Auxiliary's most outstanding contributions include donations which helped construct three new buildings - the Memorial Building in the 1950s, the Jones Building in the 1960s and the Century Building in the 1980s. The Auxiliary has made a substantial pledge to help SLH develop the special unit for in-

patient psychiatric services. Most recently the Auxiliary provided funds for the purchase of new equipment to perform a new technique for gall bladder surgery.

The Auxilians are well-known for operating the hospital's gift shop, providing baby picture services and a host of other patient related services. In addition, the Auxiliary holds an annual plant and rummage sale, a Mother's Day bake sale and other fund-raising programs. A custom-produced slide program showing the many faces of the hospital and opportunities for volunteers is used by the Auxiliary in its community service.

Chronic Pain Support Group

A new eight-week support group for chronic pain sufferers will begin on Thursday, September 27th, from 6:00 to 8:00 p.m. It will meet at St. Luke's Hospital of New Bedford in the White Home Living Room.

The group will provide an opportunity for those who suffer with chronic pain to assess his or her personal situation, learn methods of managing chronic pain and try out new options that may not have been considered before. Each session is designed to encourage participants to look at how pain affects the whole person and to strive to:

- put pain in perspective
- relax away some or all of the pain
- make new decisions based on how pain has changed your life
- set realistic goals.

The program will touch on topics such as the emotional and spiritual effects of pain, exercises to help, progressive relaxation and breathing exercises, music and art, the effects of negative thinking, anger and hostility, and the ups-and-downs of living with chronic pain.

The coordinator and group leader of the new pain management program is Sandra R. Hale, RN, BSN, MA,CS, a Clinical Specialist in Adult Psychiatric and Mental Health Nursing. Ms. Hale has 20 years experience

"Starting and Managing a Small Business" will help entrepreneurs develop and create a business, and examine marketing plans, sales and sales development, financing, and more. The course begins Monday, September 17th, and runs until December 3rd, and costs $120.

"Our Credit System" will provide information on all aspects of credit reporting practices. It meets Monday, October 15th and October 22nd, and costs $25.

"Effective Business Writing" is a practical, three-session workshop on effective communication, covering business writing, arrangement of information, and editing. It meets Tuesday, October 16th, 23rd and 30th, and costs $50.

Two other courses of interest are "Travel and Tourism Business I", aimed at providing the knowledge and skills needed to work in a travel agency. It meets weekly, Tuesdays, from October 16th to November 20th, and costs $80.

Of special interest to non-profit organizations is "Creative Project Development for Non-Profit Organizations". Designed specifically for social service, health, educational

50s and 60s Trivia

In celebration of local programming week, Continental Cablevision is turning back the clock to the 1950s and early 60s. Drag those saddle shoes and poodle skirts out of the closet and tune in to TV TRIVIA Thursday, September 13th, at 7:00 p.m. on Channel 8. We'll have a collection of classic cars in the parking lot. If you have a classic car give us a call at 748-2400.

Early Childhood Advisory Council

The Early Childhood Advisory Council is planning a meeting for Wednesday, September 19th, beginning at 3:30 p.m. in Room 30 at the Sippican School, Marion. This will be the first meeting for the 90-91 school year.

Project GROW, the local early childhood project, has been funded for the up-coming school year through a combination of state grants and local school support. The advisory council oversees the work of the project which includes the Project GROW preschool program, screening services for three and four year olds, parent and early childhood professional resources, and efforts to link the network of early childhood providers. Advisory council meetings serve as a forum for issues of our community's young children and their families.

Interested community members are invited to attend.

SHOREBIRDS, SHOREBIRDS, SHOREBIRDS

Join Lloyd Center Researcher John Hill and experience research first-hand on Sunday, September 16th while investigating Birds of the Marsh and Shore. John will show participants how Lloyd Center researchers survey area salt ponds to determine the different bird species found there.

Birds likely to be seen during this walk include: least- and semipalmated sandpiper, black-bellied plovers, semipalmated plovers, song sparrow, sharp-tailed sparrow, whimbrels, willets, yellow-legs, common, foresters and least terns.

The charge for this two-hour program is $3. for Lloyd Center members, $5. for non-members and $1. for children 12 and younger. Space is limited; interested birders should reserve their space today by calling 990-0505 or by sending a check or money order for the appropriate amount to the Lloyd Center at P.O. Box 7037, South Dartmouth, MA. 02748.

SMU PROFESSOR TO DISCUSS HER BOOK

On Sunday, September 16th, at 2:30 p.m., the SMU Library Associates will present Dr. Marie Ahearn of the SMU Department of English. She will discuss her recent book, The Rhetoric of War: Training Day, the Militia and the Military Sermon. This book explores the warlike language and Biblical references that the clergy used in sermons to promote vigilance and a fighting spirit in the local town militias when the frontier was as close as New Bedford, Dartmouth,

Fairhaven Grange Fair

Fairhaven Grange's 64th annual fair, in cooperation with the Massachusetts Department of Food and Agriculture, will be held Saturday, September 15th, from 2 to 10 p.m. at the Grange Hall at 52 William Street in Fairhaven.

Admission is free. There will be displays of fruit, vegetables, flowers, canned goods and arts and crafts. Baked goods, candy and much more will be for sale. A buffet supper will be served from 5 p.m. on. After an 8 p.m. penny sale there will be an auction of flowers and vegetables donated by the exhibitors.

There are cash prices in each of eight divisions, on the premium list. Included are junior divisions for arts and crafts, vegetables and flowers.

All articles must have been made or grown by the exhibitor in the last year. Youth exhibits are for boys and girls ages 6 through 16. Exhibits should be left at the Grange Hall the previous evening or between 9 and 11 a.m. the day of the fair.

For more information on the fair and exhibit rules call Grange Secretary Dorothy Whiteman at 999-3780.

N.B. Symphony Orchestra

NEW SEASON OPENS SEPTEMBER 15

The Giants of Opera and Symphony will be featured by the New Bedford Symphony Orchestra as it begins its 1990-91 season on Saturday, September 15th, at 8:00 p.m. F. John Adams, Music Director, will conduct this opening concert at the Zeiterion Theatre.

The overtures from two of Wagner's best-known operas, The Flying Dutchman and Tannhauser, will open the program. Representing the best of the symphonic art, Symphony No. 5 by Shostakovich will conclude an evening of great music.

Now in its 76th year, the New Bedford Symphony Orchestra is comprised of professional musicians who strive to bring the best music of past and present to local audiences. In this year's subscription season, the group will offer four concerts at the Zeiterion Theatre.

The second concert, on Saturday evening, November 17th, will feature the music of Mendelssohn, including the Violin Concerto in E Minor, with James Cooke of the Boston Symphony Orchestra as soloist.

The third concert, on Sunday afternoon, March 17th, will be a Salute to Leonard Bernstein. This will include the Chichester Psalms and highlights from West Side Story.

The final concert of the season, on Sunday evening, April 28th, will offer selections from Mozart's well-known symphonies, concertos, arias, and improvisations, as a tribute to the composer on the 200th anniversary of his death.

Subscriptions to the four concerts at reduced rates may be purchased at the Zeiterion box office or by mail or phone. Subscribers will also receive a voucher for two complimentary tickets to any concert so that you can offer your friends a musical treat.

Reservations for the first concert may be made by calling the Zeiterion box office at 994-2900. Tickets will be held until performance time.

SMU Theater Season

Thornton Wilder's classic play, "Our Town", will be this season's first production of the Southeastern Massachusetts University Theatre Company.

The company will present six plays in its 1990-91 season.

"Our Town" will be performed at 8 p.m. on September 27 through 30 and October 5 and 6. Because of repairs to the main auditorium in the Campus Center, the play will be in Room 153 of the College of Visual and Performing Arts.

The subsequent plays, all beginning at 8 p.m., will be in the Campus Center auditorium:

November 1-4, "A Streetcar Named Desire", by Tennessee Williams;

November 29, 30, December 1, 2, "The Music Man", by Meredith Willson;

eye talk

Q. When should I take my child for a first vision examination?

A. Every child should have a thorough vision examination by age three, unless noticable symptoms, like crossed eyes, appear earlier. A child does not have to know the alphabet or be able to read.

Your optometrist can check your child's ability to see clearly far away and up close; to change focus from far to near and back; and to use the two eyes together as a team.

The optometrist can also detect any tendency toward such vision problems as nearsightedness, farsightedness or astigmatism. Treatment to prevent or slow these problems may be started.

In addition, this first examination is important in diagnosing a "lazy eye" early, when treatment is most effective.

Your optometrist can also determine if your child's vision skills are developing normally and provide help if they are not.

HARPOON HARMONIZERS

The season's final concert of the Music at the Meetinghouse series will feature the popular barbershop group, the Harpoon Harmonizers, and will take place Saturday September 15th, at 7 p.m. at the Long Plain Friends Meetinghouse, 1341 Main Street, Acushnet.

The Harpoon Harmonizers, one of the oldest chapters affiliated with the 30,000+ member Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc. (headquartered in Kenosha, Wisconsin), was founded in April 1946 and held its first meetings at the old YMCA on William Street in New Bedford. The present organization, traditionally

We have BALLOONS!

all-male, is a diverse group including men from 17 to 95 years of age, executives, mechanics, a school principal, teachers and students, retired fire chiefs, salesmen and small businessmen. The chorus has twice won the championship of the Northeast District (which includes the five eastern provinces of Canada) and HH quartets have won the championship three times. The Harpoon Harmonizers meet every Wednesday at 8 p.m. at Oxford Terrace Senior Housing Project, Main Street, Fairhaven.

The Music at the Meetinghouse concerts are held on the grounds of the 1759 Long Plain Friends Meetinghouse and are sponsored as a public service jointly by the Friends of the Friends Meetinghouse and Acushnet Citizens Together Improving Our Neighborhood, Inc. (ACTION). The concerts and refreshments are free and the Harpoon Harmonizers' appearance is made possible through the generosity of Ashley Orchards. The public is reminded to bring folding chairs.

The rain date has been set for Saturday, September 22nd.
